

November 2016

P.O. Box 279

Bellevue, FL 34421

Without a doubt this is my most favorite time of year, Thanksgiving. Family, food, fellowship, friends, football and left-overs.

The main reason for this being my favorite holiday, is an opportunity to thank the Lord for those who have been faithful and such incredible sources of encouragement to us at a personally and for ministry.

We give you THANKS for all you do to make reaching, teaching and encouraging Pastors at a global level possible.

In just a few days, we'll be returning to Roma, Texas and Miguel Aleman, Mexico for the Bible School. Your prayers are much appreciated.

Prior to the Portable Bible School beginning, we spent two days in training of our National Leadership Team in Uganda.

We can honestly say these men are "getting" the vision and understanding the purpose of FAITH COVENANT MINISTRIES.

There is a great sense of satisfaction in seeing the light go on as they go through the training, ask questions and

have lively discussion as how to implement the vision.

Here is a photo of Pastor Benjamin, Ted Wentworth, Pastor Emmanuel, myself and Pastor Pius; have a some fun during the training time.

One of the favorite sites to visit when we are in Uganda, is the origin of the Nile River, especially with first time

team members to minister in Uganda. Ted and Rose Wentworth added great value to our team, with everyone falling in love with them.

Kathy always has an encouraging word that brings hope and faith wherever she ministers.

Here she is ministering at Pastor Benjamin's in a rural area north of Kampala.

Your giving makes it possible for teams to travel to Africa, Eastern Europe, South America and the Caribbean Regions around the globe.

FCM is making great head way and

strides in every area we have a presence.

During these next three months, your faithfulness is essential to continue the momentum for training and church planting.

Your financial gift at this time would be an incredible blessing. You can make a donation on line by clicking on [https:// faithcovenantministries.com](https://faithcovenantministries.com)

We are often asked by others that travel on mission trips; whether short or long term; "How do you do it?"

The answer always is "It takes a team working together for something bigger than ourselves."

The humble facilities that most of our Pastors minister in cause us to be grateful for buildings, homes and laborers when we return to home.

Pastor Benjamin's home church building, which is typical of places of worship.

Please take a few minutes to view our on sight interview during the PBS with Ted and Rose Wentworth sharing their impressions of Uganda.

On a final note, be sure you vote and pray for the elections. As you know there are many issues that will not only impact our generation, but future generations as well.

Thanks for being a part of the TEAM and being a part of something that is bigger and greater than yourself.

WE ARE TEAM!
